PRICING INCLUDES DELIVERY TO YOUR DOOR

In response to the ongoing COVID-19 crisis, our sourcing team has secured an allotment of Personal Protective Equipment that we are offering to medical institutions and a select group of clients. Orders will be accepted on a first come, first serve basis. First priority will be given to medical institutions and others providing life-saving care. As the global sourcing arm of a 100-year old company that was outfitting doctors and nurses during World War II, we are proud to uphold that rich tradition and do our part to help in our collective fight against COVID-19. To place an order, please email us at inbound@bamko.net for more information.

Important Terms:

- All delivery dates listed are best estimates only and cannot be guaranteed.
- All sales are final and may not be canceled by the customer.
- Not recommended for use in a surgical setting or where significant exposure to liquid bodily or other hazardous fluids may be expected.
- Above images are representative examples only.
- Orders will ship to a single location only.
- Should global events render delivery impossible, we will refund your pre-payment.
- Product has been priced at lowest cost possible due to very limited supplies and extreme surge in air shipping costs.
